Museum Bernis Ches Ainstein

Museum Bernis Ches Ainstein is a premier cultural institution dedicated to preserving and showcasing a diverse collection of art, history, and heritage. Situated at the heart of a vibrant community, the museum serves as a dynamic space where visitors can explore timeless exhibits ranging from classical masterpieces to contemporary works. Our mission is to inspire curiosity, foster education, and celebrate creativity through thoughtfully curated exhibitions, interactive events, and engaging educational programs.

With an extensive collection that spans various periods, cultures, and artistic movements, the museum offers something for everyone — whether you are a passionate art enthusiast, a history buff, or a curious learner. We are committed to providing an enriching visitor experience through innovative digital tools, comprehensive exhibit information, and seamless event management.

At Museum Bernis Ches Ainstein, we believe that art and culture connect us all. We invite you to discover, learn, and be inspired as you journey through the stories and treasures housed within our walls.
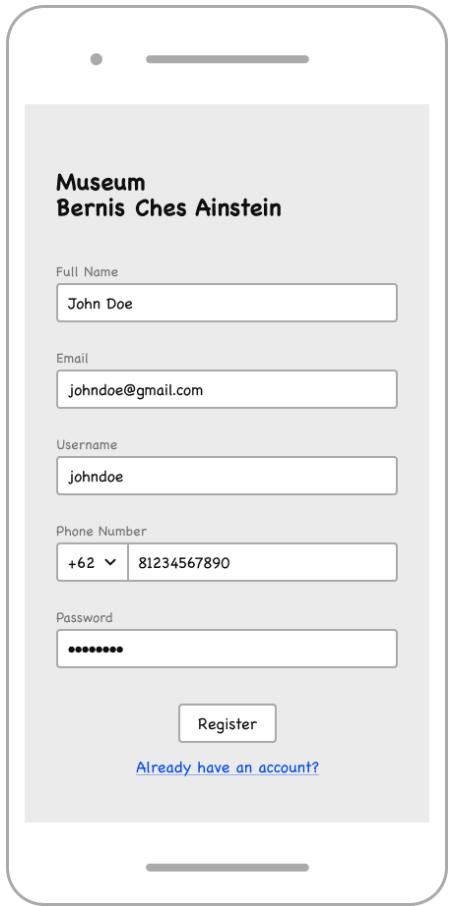

Login

Museum visitors can log in to the application using their username/email and password. If their account has not been verified yet, they will be prompted to insert a One-Time Password (OTP) sent to their registered email and can be viewed from the desktop application. The users can re-send the OTP code for each 30 seconds. This ensures an added layer of security and prevents unauthorized access to member features. Once verified, users will be able to access their dashboard, view activities, and manage their profile settings. The login system also supports session management to keep users logged in securely across different devices.

- Validate the OTP code that is sent to the desktop application. The OTP code is only valid for 2 minutes
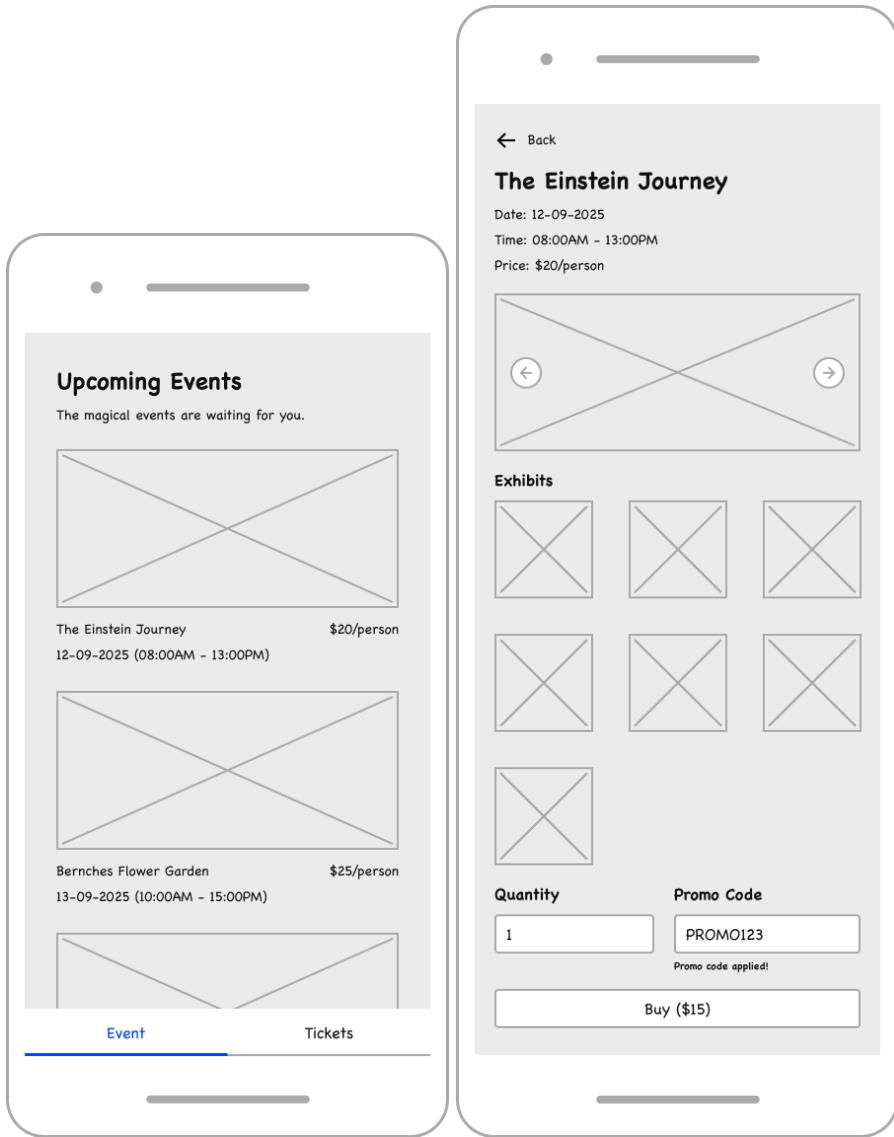

Register
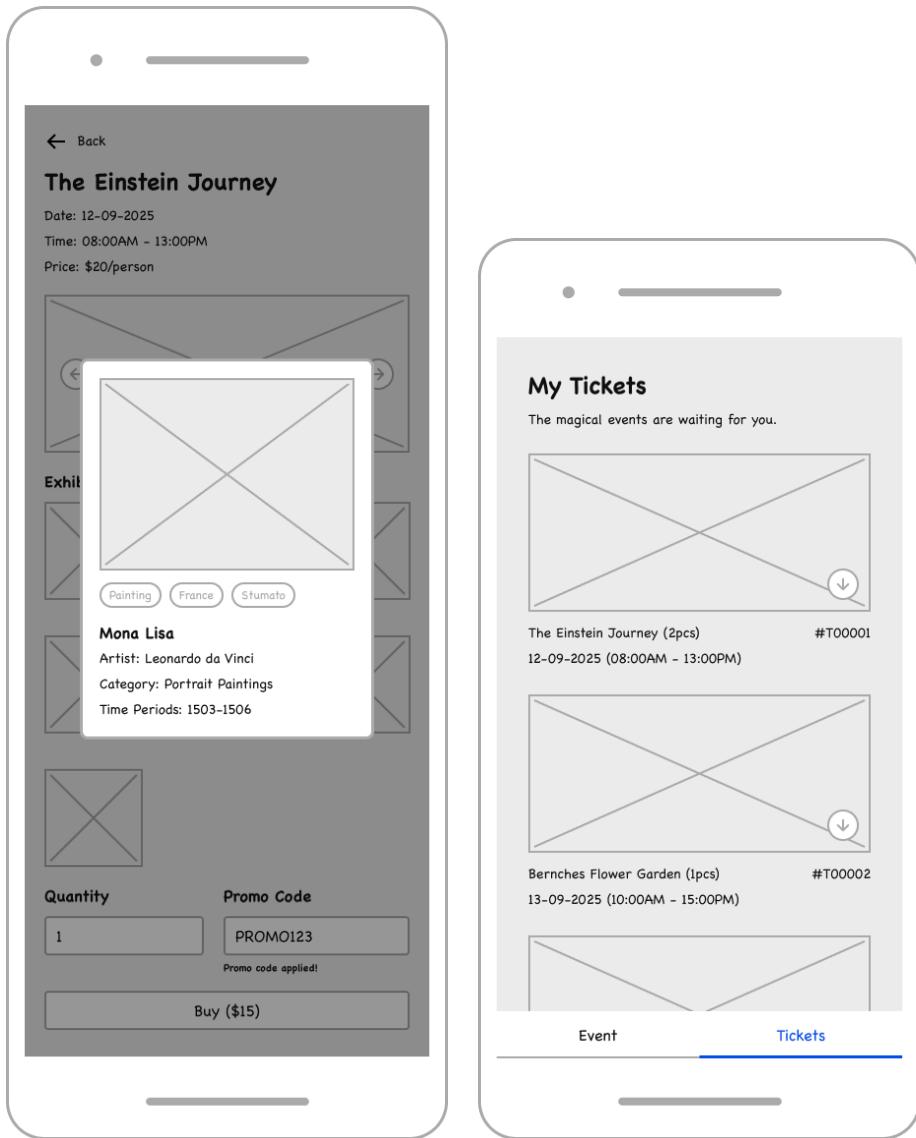

New visitors can register themselves to become a member of the museum and enjoy full access to exclusive member features. The registration process is simple and requires basic information such as name, email, username, phone number, and a secure password. Once registered and verified, members can start collecting points, purchasing tickets, and participating in events. Being a registered member also gives access to limited rewards, personalized recommendations, and special event invitations.

- Phone number prefixes can be chosen from the list, the list is sorted by the prefix number ascendingly
